Debtors.

Case No. 96-03050

AFFIDAVIT OF
TRUSTEE,
BERNIE R. RAKOZY

STATE OF IDAHO)
)ss.
County of Ada)

BERNIE R. RAKOZY, being first duly sworn upon oath, deposes and states as follows:

1. I am the Trustee appointed in the above case on March 13, 1997. The case was previously filed as a Chapter 11 case on November 27, 1996.

2. The above case had been a litigious Chapter 11 case with a liquidation of all assets prior to conversion. Attached is a true and correct copy of the court's docket detailing the general issues in the case administration.

3. After the conversion of the case, it was complicated by remaining administrative expenses including rent, attorney fees and costs. In addition, property taxes had not been paid on the personal property sold in the Chapter 11. I spent several hours dealing with these problems which

133

were unavoidable and which time did not aid in recovering property for the benefit of the estate.

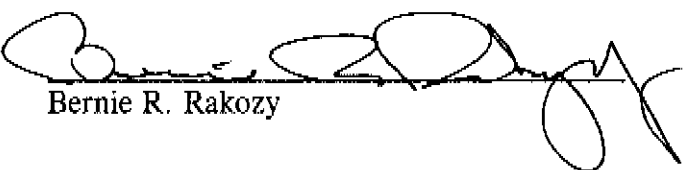

The estate was in effect administratively insolvent and there were no assets available.

4. The records of the Chapter 11 Debtor were also in disarray. It took several hours of my time to locate the records and get them delivered to my attorney. The main effort in this case was to review financial records and determine what if any avoidable transactions existed.

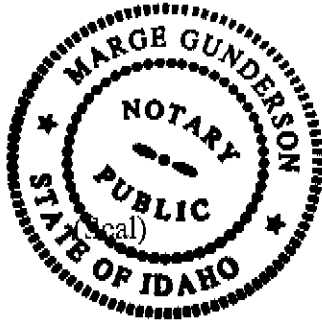

5. In consultation with my attorney, we concentrated on reviewing a \$300,000 transaction. Documents had to be subpoenaed from banks and reviewed. Ultimately, the transaction was determined to be unavoidable per the legal opinion of my attorney.

6. Next we concentrated on reviewing the vendor transactions for avoidable preferences. I spent several hours consulting with my attorneys on the analysis of the bank records and invoices paid pre-petition. Litigation was filed and I cooperated and helped the attorney in prosecuting the case. The adversary was successful in obtaining settlements in excess of \$70,000.

7. The total receipts collected in the case were \$72,637. Approximately one-third of that amount was consumed in litigation costs in order to produce the recovery. I am claiming total compensation of \$6,881.88 in commission and \$82.60 in expenses. Although I did not keep specific time records, I estimate that I spent approximately 60-70 hours on the above case. My efforts have been successful in that the case tentatively will return a dividend of 27% to the unsecured creditors. I believe that the Trustee's compensation claimed in the case is reasonable and should be approved.

Bernie R. Rakozy

SUBSCRIBED AND SWORN to before me, a notary public, this 10 day of July, 2001.
